

10 Components of a Pitch Deck

Here is a list of the 10 most common things that make up a pitch deck.
Keep these in mind when you're designing yours!

1 Summary of company/background

2 Purpose/mission of company

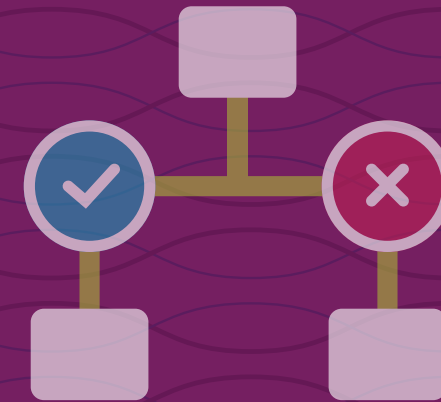

3 Detail about the problem you are solving

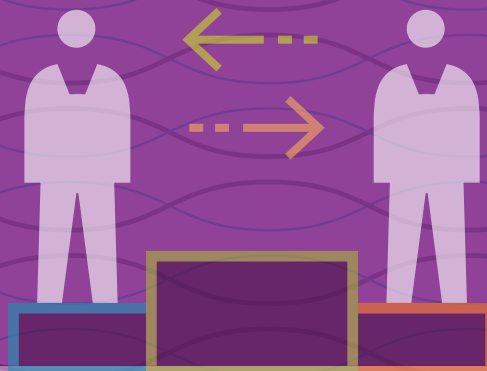

4 Description of product/service

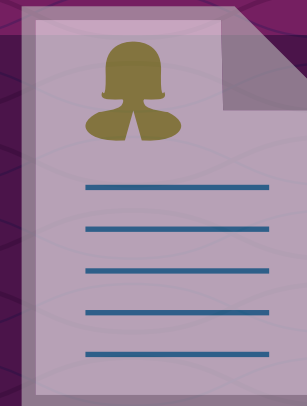

5 Results/Outcomes

6 Competitor landscape

7 Leadership/advisor team biographies

8 Financial information and projections

9 The ask (funding, partnership, etc.)

10 Future strategic initiatives (what funding will be used for)
