

Cardeation Capital

VENTURE CAPITAL FUND

ESTABLISHED BY:

CO-INVESTORS:

MANAGED BY:

American Heart Association®

PHILIPS

UPMC
LIFE CHANGING MEDICINE

Aphelion Capital

WHAT IS THE FUND?

Venture capital fund investing in innovative healthcare products, services and technologies designed to address critical areas of healthcare delivery and health management

HOW

DOES THE FUND WORK?

Aphelion Capital **identifies** and **invests** in emerging companies that can **accelerate** heart disease and stroke care

WHY

AHA/PHILIPS/UPMC/APHELION

Power of collaboration

and **collective knowledge to advance treatments** in heart disease and stroke. Experience in building successful emerging companies.

HOW MUCH IS INVESTED?

Philips and UPMC joined Cardeation Capital as co-investors each matching AHA's \$10M for a **total of \$30M**.

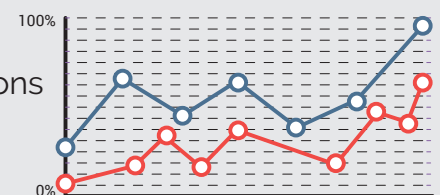

CARDEATION CAPITAL IS NOT

-  Research fund
-  Philanthropic gift
-  Business acquisition
-  Sponsorship
-  Open to public or donor investment

WHAT IS SUCCESS?

Rapid market adoption

of entrepreneurial healthcare solutions and **high return on investment** over the long term (8-10 years)
